

Revolution in Food and Biomass Production (REFAB)

High-tech strategy for a future food and biomass supply
New conference, 1 – 2 October 2018, Maritim Hotel Cologne (Germany)

Dear Sir/ Madam,

The conference "Revolution in Food and Biomass Production (REFAB)", 1 – 2 October 2018, Cologne (Germany) will for the first time bring together forward-thinking experts from companies, start-ups and research institutions to have a look at the future of food and biomass production. The conference will provide a unique opportunity for sponsors to be present in a cross sectoral and high technology environment.

Join the future! Don't miss this great chance to be a sponsor associated with the image of pioneers and forerunners in the food and biomass production, both directly at the REFAB conference and in our online marketing and public relations.

Exciting topics that will be presented are:

- Precision farming, robotics, drones and Artificial Intelligence (AI)
- Biostimulants – nitrogen fixation, mycorrhiza, biopesticides
- Home, urban and vertical farming
- Agriculture under extreme conditions (desert, ice, outer space)
- Improved plant varieties for the future
- Alternative protein sources – insects, bacteria, artificial meat and CO₂ utilisation
- Future of organic and smallholder farming
- Mariculture or marine farming, algae and aquaculture
- Biorefineries for food, chemicals, materials and fibres

Please find more details about the range of sponsorship options below. If any of the present-ed options appeal to you, please do not hesitate to contact us. We are also open to new ideas and we will gladly assist you with realizing your own concepts. We are looking forward to receive your individual proposal!

With best regards,
